

## **Drawing Amendments**

Please substitute the enclosed Replacement Sheet for Figure 2 instead of the originally filed Figure 2.

## **REMARKS**

### **Pending claims**

Claims 1-24 and 27-34 remain in this application.

### **Specification Amendment**

The end of the sentence making up paragraph [0046] (the brief description of Figure 2) was missing due to a typing error. The requested change corrects this by adding text whose support is found in paragraph [0009].

### **Drawing Objections**

The Examiner wrote that Figure 2 should be labeled "Prior Art" or the like to indicate that the illustrated arrangement is known. The enclosed Replacement Sheet for Figure 2 is so labeled.

### **Claim Rejections**

The Examiner rejected claims 25 and 26 under 35 U.S.C. §§101, 102, 103 and 112. These claims have been canceled.

### **Allowed Claims**

The Examiner allowed claims 1-24 and 27-34, that is, all the claims remaining in this application.

### **Conclusion**

The only remaining claims have been allowed and the drawings have been corrected as required. This application should therefore now be in condition for allowance.

**Change of Attorney Name and Change of Correspondence Address**

Please note the enclosed letter concerning the change of the attorney's name from "Slusher" to "Pearce." Also please note the enclosed Change of Correspondence Address.
